

Our goal is to provide intermittent skilled nursing, physical therapy, home health aid & medical social work services towards maximum or full recovery. Consider **IHS** if:

- You're dealing with a chronic condition such as arthritis and need help to restore mobility and reduce pain.
- You have received a cardiopulmonary diagnosis and would benefit from therapy to help you increase endurance and fitness.
- You're recovering from hip replacement or knee replacement, or other orthopedic surgery.
- You have not yet regained maximum ability after a stroke or other challenge.
- You've suffered a recent fall or are otherwise at risk of fall injuries.

ELIGIBILITY

To qualify for our services, patients must be homebound. This means that leaving the home requires taxing effort and so is only done infrequently. Patients must be under the care of a physician, require skilled nursing and/or therapy care on intermittent basis, and meet their specific insurance requirements.

If you don't find your insurance provider listed above you may contact us to verify if we accept your insurance coverage.

If you or someone you know needs home health services,
call us: **(409) 267-6194**
